

Asian Raptor Research & Conservation Network. The 4th Symposium on Asian Raptors "Towards Conservation of Asian Raptors through Science and Action". Abstracts 28-31 October 2005. Taiping, Malaysia. ARRCN, Malaysian Nature Society.

Monitoring the behaviour of juvenile Powerful Owls *Ninox strenua* in Melbourne, Australia. Cooke, R., Hogan, F., Wallis, R. & Hurley, V. 12. [raylene.cooke@deakin.edu.au](mailto:raylene.cooke@deakin.edu.au)

Breeding ecology of the Javan Hawk Eagle *Spizaetus bartelsi* at Telaga Warna Nature Reserve, west Java, Indonesia. Usep Suparman. 13. [u\\_suparman@yahoo.com](mailto:u_suparman@yahoo.com)

Factors influencing the abundance, and behaviour of Egyptian Vulture *Neophron percnopterus ginginianus* in and around Churu city, Rajasthan, India. Khem Chand Soni and A.N.Sharma. 14. [khemchandibis@yahoo.com](mailto:khemchandibis@yahoo.com)

Nesting ecology of Javan Hawk Eagle in the Cikaniki forest area, Gunung Halimun - Salak National Park, west Java, Indonesia. Iwan Ridwan, Mamat Surahmat & Yosi Irawan S. 15. [mata.elang@telkom.net](mailto:mata.elang@telkom.net); [kuataka\\_82@yahoo.com](mailto:kuataka_82@yahoo.com)

Habitat use and breeding ecology of Black Eagle *Ictinaetus malayensis* in northern Taiwan. Wen-Horn Lin. 16. [wenhorn@c1.hinet.net](mailto:wenhorn@c1.hinet.net)

Monitoring the breeding behaviour of Javan Hawk Eagle *Spizaetus bartelsi* using camera surveillance (CCTV), at Ciasem-Tangkuban Perahu Nature Reserve, west Java, Indonesia. Ade Rahmat, Zaini Rakhman, Fassa Faisal, Zaenal Mutaqien, Yogi Satoto, Asep Maman. 17. [bicon\\_2000@yahoo.com](mailto:bicon_2000@yahoo.com)

Raptor Migration Study Techniques: the surface watch. Corry S.C.Chen and Wen-Horn Lin. 20. [corry@raptor.org.tw](mailto:corry@raptor.org.tw)

The nocturnal hunting behaviour of a diurnal raptor, the Peregrine falcon, in southern Taiwan. Kuang-Ying Huang and Lucia Liu Severinghaus. 22. [kyhoung@ms8.hinet.net](mailto:kyhoung@ms8.hinet.net); [zobbowl@gate.sinica.edu.tw](mailto:zobbowl@gate.sinica.edu.tw)

Observations on the Black Eagle *Ictinaetus malayensis* in Plawangan-Turgo Nature Reserve, Gunung Merapi mountain, Indonesia. Lim Wen Sin S. Si and Tri Setyadi S.Hut. 23.

Habitat use of raptors at Lambir, Niah and Similajau National Parks, Sarawak Malaysia and implications on their conservation. Mike H.N.Chong. 24. [mikechn@pc.jaring.my](mailto:mikechn@pc.jaring.my)

Satellite-Tracking the Migration of Hawks in East Asia. Hiroyoshi Higuchi. 26. [higuchi@es.a.u.-tokyo.ac.jp](mailto:higuchi@es.a.u.-tokyo.ac.jp)

Fracture fixation technique using Intramedullary Pin-External Skeletal Fixator (IM-ESF) tie-in in raptors: the Minnesotan experience, what we can learn from it. Jalila Abu. 28. [jalila@vet.upm.edu.my](mailto:jalila@vet.upm.edu.my)

A non-invasive sampling strategy for apping the genetics of Powerful Owls *Ninox strenua* in Australia. Hogan, F., Cooke, R. & Norman, J. 29. [fiona.hogan@deakin.edu.au](mailto:fiona.hogan@deakin.edu.au)

Development of RAPD markers of the White-bellied Sea Eagle *Haliaeetus leucogaster* in Malaysia - implication towards conservation. Darlina Mohd. Naim and Siti Azizah Mohd. Nor. 30. [nasliyan@yahoo.com](mailto:nasliyan@yahoo.com); [sazizah@usm.my](mailto:sazizah@usm.my)

Behaviour of Javan Hawk Eagle *Spizaetus bartelsi* during egg incubation at Ciassem-Tangkuban Perahu Nature Reserve, west Java, Indonesia. Fassa Faisal, Yogi Satoto, Ade Rahmat, Zaini Rakhman, Zaenal Mutaqien & Asep Maan. 32. [bicon\\_2000@yahoo.com](mailto:bicon_2000@yahoo.com)

Winter ecology, behaviour, and conservation needs of the Eurasian Marsh Harrier *Circus aeruginosus* in and around Keoladeo National Park, India. Ashok Verma. 33. [vermaasok@rediffmail.com](mailto:vermaasok@rediffmail.com)

Comparing brooding success of Barn Owl *Tyto alba* in artificial nest boxes made from wood and fibre glass in the rice field area of Parit Buntar, Perak Malaysia. Mohd. Noor, H., Ismail, E. & Abdul Rahim, M. 34.

Effects of habitat disturbance on the raptor communities in monsoon forests and savannahs of east Java, Indonesia. Mohammad Irham. 35. [sepeda77@yahoo.com](mailto:sepeda77@yahoo.com)

Birds of prey in the dry zone of central Myanmar. Anthony C. Sebastian. 38. [conrad@pc.jaring.my](mailto:conrad@pc.jaring.my)

Current status and distribution of Raptors in Thailand. Surachai Rungkunakorn. 39. [surachai.ru@egat.co.th](mailto:surachai.ru@egat.co.th)

Raptor research and conservation in Indonesia: recent initiatives. Muhamad Muchtar and Iwan Setiawan. 40. [ngo-move@indo.net.id](mailto:ngo-move@indo.net.id)

A raptor survey in the extension areas of Gunung Halimun-Salak National Park, west Java, Indonesia. Ika Kristiana Widvaningrum, Nur Faizin & Dewi M. Prawiradilaga. 41. [d\\_ikaprio@yahoo.com](mailto:d_ikaprio@yahoo.com)

Asian Raptor Migration Project in Taiwan: 2003-2005. Corry Shih-Chung Chen. 44. [corry@raptor.org.tw](mailto:corry@raptor.org.tw)

A study on migratory raptors in Sumatra, Kalimantan, Java, Bali and Nusa Tenggara, Indonesia: 2001-2004. Wishnu Sukmantoro, Usep Suparman & Li Wen Sin. 45. [wishnu@indo.net.id](mailto:wishnu@indo.net.id)

Raptor migration at the Strait of Bosphorus in spring 2005. Onder Cirik and Luke Smith. 46. [onder.cirik@dogaderneqi.org](mailto:onder.cirik@dogaderneqi.org)

Raptor migration survey in north Vietnam during autumn 2004 and spring 2005 migration seasons. Le Manh Hung and Nguen Cu. 47. [hungniltava@yahoo.com](mailto:hungniltava@yahoo.com); [ncu@iebr.nest.ac.vn](mailto:ncu@iebr.nest.ac.vn)

Birds of prey migration watch in Jogjakarta, Java, Indonesia: 2004. Bernadus Setyawan 48. [maswawan@yahoo.com](mailto:maswawan@yahoo.com)

Home Range, Habitat Use and Data Analysis for Conservation Application. Toru Yamazaki, Dewi M. Pradiwiradilaga and Tatsuyoshi Murate. 50. [ffi@indo.net.id](mailto:ffi@indo.net.id)

Phylogenetic re-examination of Asian raptor species based on molecular studies and its consequences for conservation. Anita Gamauf, Franziska Nittinger, Elisabeth Haring & Wilhelm Pinsker. 52. [anita.gamauf@NHM-WIEN.AC.AT](mailto:anita.gamauf@NHM-WIEN.AC.AT)

Population structure and phylogeography of Hierofalcons. Franziska Nittinger, Wilhelm Pinsker, Anita Gamauf & Elisabeth Haring. 54.

Hematology and blood chemistry values of the Japanese Mountain Hawk Eagle *Spizaetus nipalensis orientalis*. Toru [Yamazaki.t-yamaza@mx.biwa.ne.jp](mailto:Yamazaki.t-yamaza@mx.biwa.ne.jp)

Spring raptor migration at Rupa Island, south-eastern Sumatra, Indonesia. Lim Aun Tiah, Lim Kim Chye, Wishnu Sukmantoro & Muhammad Iqbal. 58. [limbird@streamyx.com.my](mailto:limbird@streamyx.com.my)

The contribution of radio-tracking to the conservation of Asian raptors and important analysis principles. Sean Walls and Robert Kenward. 60. [sean@biotrack.co.uk](mailto:sean@biotrack.co.uk)

The nest, habitat structure and physical variation characteristics of three raptor species at Gunung Tangkuban Perahu, west Java, Indonesia. Yogi Satoto, Fassa Faisal, Zaenal Mutaqien, Asep Maman & Zaini Rakhman. 61. [ysatoto@yahoo.com](mailto:ysatoto@yahoo.com)

Current status of the main wintering sites of the Cinereus Vulture *Aegypius monachus* in South Korea. Eun-Jae Lee and Woo-Shin Lee. 62. [lejae@naver.com](mailto:lejae@naver.com)

The moulting period of the juvenile Japanese Mountain Hawk Eagle *Spizaetus nipalensis orientalis*. Hiromichi Ichinose. 63. [ichinosehiromichi@yahoo.co.jp](mailto:ichinosehiromichi@yahoo.co.jp)

"Digiscoping" photography technique as a tool in the study of raptors. Ooi Beng Yean. 64. [obybeng@streamyx.com](mailto:obybeng@streamyx.com)

Species assessment of the White-bellied Sea Eagle *Haliaeetus leucogaster* for the release progra in Jogja Animal Rescue Centre, Indonesia. Okie Kristiawan, Gunawan, A.Kosim Dian Trisnowikanti & Zaini Rakhman. 65. [burungpemangsa@yahoo.com](mailto:burungpemangsa@yahoo.com)

A release and monitoring programme of the White-bellied Sea Eagle *Haliaeetus leucogaster* at Karimunjawa Island, central Java, Indonesia. Zaini Rakhman, Hari Nughoro, Okie Kristiawan, Gunawan, Tri Setyadi, Kisma Donna, Sutris Haryanta & Hari Susanto. 66. [burungpemangsa@yahoo.com](mailto:burungpemangsa@yahoo.com)

Habitat assessent of potetial locations for the release programme of the white-bellied Sea Eagle *Haliaeetus leucogaster* at Karimunjawa Marine National Park, Indonesia. Vitriana Y.M., Okie Kristiawan, Tri Setyadi, Slamet Riyadi, Zaini Rakhman, Hari Susanto & Sutris Haryanta. 67. [burungpemangsa@yahoo.com](mailto:burungpemangsa@yahoo.com)

Observations on the breeding ecology of the Oriental Honey-Buzzard *Pernis ptilorhyncus torquatus* in Malaysia. Chiu Sein Chiong. 68. [chiu\\_sein\\_chiong@pc.jaring.my](mailto:chiu_sein_chiong@pc.jaring.my)

Home range and time-activity budget during the post-fledging period of a juvenile Javan Hawk Eagle *Spizaetus bartelsi* (Stresemann, 1924). 69. Dwi Mulyawati. [dwi\\_mulya@yahoo.com](mailto:dwi_mulya@yahoo.com)

Notes on the nesting, growth behaviour of the endemic Philippine Hawk Eagle *Spizaetus philippensis* in Barlig, Mountain Province, Philippines and lessons learned from the interactions. Annette P.Tamino. 70. [annette.tamino@gmail.com](mailto:annette.tamino@gmail.com)

Distribution and population status of Sulawesi Hawk Eagle *Spizaetus lanceolatus* (Teminck & Schlegel, 1844) at Rawa Aopa Watumohai National Park, south-east Sulawesi, Indonesia. Dwi Agustina and Dewi Prawiradilaga. 71. [dprawiradilaga@cbn.net.id](mailto:dprawiradilaga@cbn.net.id)

The management of confiscated raptors at animal rescue centres in Indonesia. Zaini Rakhman, Faisal M.Fuad & Resit Sozer. 72. [zaini@ypal.or.id](mailto:zaini@ypal.or.id)

Raptor banding in west Sumatra. Wilson Novarino. 73. [wilson\\_n\\_id@yahoo.com](mailto:wilson_n_id@yahoo.com)

The Javan Hawk Eagle *Spizaetus bartelsi* as a flagship species in conservation education programe in west Java, Indonesia. Edy Hendras Wahyono. 74. [ewahyono@conservation.org](mailto:ewahyono@conservation.org)

Daily behaviour development of captive White-bellied Sea Eagles *Haliaeetus leucogaster* (Gmelin, 1788) in Jogja Animal Rescue Centre, Indonesia. Gunawan. 75. [burungpemangsa@yahoo.com](mailto:burungpemangsa@yahoo.com)

Erecting nest platforms to improve steppe raptors breeding success and reducing Brandt's Vole *Lasiopodemys brandtii* numbers in Mongolia. Gombobaatar Sundev, Odkhuu Birazana & Sumiya Damdin. 76. [gomboo\\_mos@yahoo.com](mailto:gomboo_mos@yahoo.com)
